

Ventura County's Senior Marketing Alliance Resource Team

The Senior Marketing Alliance Resource Team is a group of professionals that serve the Senior market. We meet once a month to share knowledge, information and resources for business networking, referrals, fellowship, and to create and organize ways to educate, support, and service Senior communities.

Members of the Alliance are professionals in good standing, properly licensed and available through their specialties for speaking engagements, public events, and client services relating to their scope of business.

The membership decides on specialties, qualities that add value to the team, minimum requirements for Senior Specialist status, and coordination of strategic senior liaisons.

Monthly Resource Team Meetings:
